Auction Rules

Registration

Upon entering the auction, you will receive your bid number. Use only the bid number assigned to you for bidding on live auction items.

Live Auction

Live Auction bidding will begin at 7:15 pm. We will be using standard bidding and sweep bidding.

For **standard** bidding, please hold up your bid number toward the auctioneer. The auctioneer will raise the price of each item until there is one person holding their bid number toward the auctioneer.

For **sweep** bidding, the auctioneer will state the minimum bid and all bidders willing to pay that price for the item hold up their bid numbers toward the auctioneer. They will continue to hold their bid numbers toward the auctioneer as long as they are willing to pay the current price for the item.

The Live Auction will continue until all items are sold.

A bid acknowledged by the auctioneer is a legal contract to purchase the item.

Payment & Pickup

You will be able to take home your items at the conclusion of the auction on August 27th. You will receive a bill from the FCM office, for all items purchased, by the week of September 12th. All items must be paid for by September 23rd, 2011. For your convenience, we gladly accept Cash or Personal Check.
